Dear Ms Leung,

Scholarships for Miss Chan Yan Hei and Miss Lam Wai Ting

I am delighted to inform you that Miss Chan Yan Hei and Miss Lam Wai Ting, graduates of SKH Lam Woo Memorial Secondary School have been awarded the Lau Chan Kwok Scholarships by United College of The Chinese University of Hong Kong, on account of their outstanding results in the matriculation examinations, to facilitate their University studies. These Scholarships are not only an honour to the students; they reflect equally well on the training and support that they had received at their alma mater. This letter is therefore written in the hope that when their junior schoolmates, upon learning of their achievement, might be inspired to follow in their footsteps toward academic excellence.

Please accept my heartiest congratulations and wish you and your school all the best.

Yours sincerely,

Handwritten signature of K.P. Fung in black ink.

K.P. Fung
Head
